

## Broyhill Kombi Line Marker

Make precision lines that last

- 5-gallon capacity poly tank with large 8" fill-well and strainer basket
- Heavy-duty 12-volt diaphragm pumping system with long life battery and rechargeable power pack
- Built-in rinse tank with easy self-cleaning system
- Marking boot mounts to the left, right, or center, and allows line width adjustment from 1.5" to 4"
- Handle-mounted, moisture-proof on-off pump switch
- 10" x 3", 4-ply pneumatic tires provide maneuverability and straighter lines
