Insecticide III

- Controls surface-feeding turfgrass insects
- Patented DG PRO™ Dispersible Carrier

GOLF COURSE TURF ONLY

KEEP OUT OF REACH OF CHILDREN

CAUTION

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals: Harmful if swallowed, inhaled or absorbed through the skin. Causes moderate eye irritation. Avoid Breathing Dust. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash thoroughly before reuse.

FIRST AID

If in eyes:

- Hold eye open and rinse slowly and gently with water for 15-20 minutes.
- Remove contacts, if present, after the first 5 minutes, then continue rinsing.
- Call a poison control center or doctor for treatment advice.

If swallowed:

- Call a poison control center or doctor for treatment advice.
- Have person sip a glass of water if able to swallow.
- Do not induce vomiting unless told to by a poison control center or doctor.
- Do not give anything by mouth to an unconscious person.

If on skin

- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15-20 minutes.
- Call a poison control center or doctor for treatment advice.

If inhaled

- Move person to fresh air.
- If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth to mouth if possible.
- Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may also contact 1-800-757-8951 for emergency medical treatment information.

NOTE TO PHYSICIAN: Chlorpyrifos is a cholinesterase inhibitor. Treat symptomatically. Atropine only by injection is an antidote.

Environmental Hazards: This product is toxic to fish, birds, and other wildlife. Keep out of lakes, streams, or ponds. Do not apply directly to water to areas where surface water is present or to intertidal areas below the mean high water mark. Do not apply where runoff is likely to occur. Do not apply when weather conditions favor drift from treated areas. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on the label.

ACTIVE INGREDIENT:

Chlorpyrifos† 1.34%

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Not for use on turf being grown for sale or other commercial use as sod, or for commercial seed production, or for research purposes.

For use on turfgrass or dichondra on golf courses.

Do not allow the public, especially children, on treated areas during treatment and until the pesticide is washed into the soil and turf is completely dry.

Controls chinch bugs and other insects listed below:

Ant	Grasshopper
Brown dog tick	Hyperodes weevil
Cricket	Sod webworm
Cutworm	(lawn moth larvae)
Earwig	Vegetable weevil
Flea beetle	(in dichondra)
(in dichondra)	

Apply over entire area. Overlap spreader wheel tracks so no strips are missed. Water as recommended after each application to wash product particles into the zone of insect activity. Do not mow or collect clippings for 24 hours after treatment.

CHINCH BUG Control: Apply any time activity or damage is noticed. Water thoroughly (1/4 to 1/2 inch) after each application.

CHINCH BUG Prevention: Apply as soon as daily temperatures reach 80°F or above and repeat at 2 month intervals. Water thoroughly (1/4 to 1/2 inch) after each application.

SOD WEBWORM, CUTWORM, EARWIG, FLEA BEETLE and VEGETABLE WEEVIL Control: Apply whenever insect activity is suspected. Sprinkle lightly after application to remove product particles from the leaves.

ANT, TICK, CRICKET and GRASSHOPPER Control: Apply whenever insect activity is observed or suspected. Water lightly after each application to remove particles from leaves.

HYPERODES WEEVIL Control: Apply as soon as grass greens in the spring and repeat in one month. Water lightly after application.

Maximum application rate is 1 lb. Chlorpyrifos per acre

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage and disposal.

STORAGE: Store in a clean, dry place. Reseal opened bag by folding top down and securing.

PESTICIDE DISPOSAL: Do not contaminate water, food, or feed by storage or disposal. Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL: Completely empty bag into application equipment. Then dispose of empty bag in a sanitary landfill or by incineration, or, if allowed by State and local authorities, by burning. If burned, stay out of smoke.

IMPORTANT: READ BEFORE USE:

Read the entire Directions for Use and the Warranty Disclaimer and Limitation of Liability before using this product. If terms are not acceptable, return the unopened product container at once. By using this product, user or Buyer accepts the following Warranty Disclaimer and Limitation of Liability:

WARRANTY DISCLAIMER and LIMITATION of LIABILITY:

Manufacturer warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated on the label when used in strict accordance with the directions.
