

SHARPENING RATES FOR THE 2010–2011 SEASON

Prices listed are for sharpening reels & bedknives only. Other repairs and all parts used will be extra.
Gang mowers must be removed from the frames.

2010–2011 Sharpening Rates* - Spin ground (Relief grinding available upon request for \$49.99 per reel)

Toro Greensmowers and Lightweight Fairway Units	\$99.99 per reel
Toro RM3100-D, RM2000, 4000 and 6000 Series.....	\$119.99 per reel
Toro Gang Mowers	\$129.99 per reel
Other cutting units	CALL

Sharpening rates for the cutting units include:

- Labor for turning or replacing the bed knife & sharpening.
- Adjusting reel bearing preload and check freeplay.
- Adjusting single point adjuster, for proper orientation.
- Replacement of bedknife and screws.
- Additional attachments extra.
- Check and fill gearcase lubrication level.
- Spin grind reel.

Please answer the following prior to cutting unit sharpening:

- What is the cutting unit application (tees, fairway, greens, etc.)?
- What height-of-cut should the cutting units be set for?
- Do you want the reel bearings replaced as part of routine maintenance on reels?
There will be an additional charge for this.

NOTE

- In certain situations, reels are roller-mounted when ground, and rollers must not have any freeplay. They will be repaired unless you request not to do so.
- Bent or broken reel blades cannot be relief-ground.

* All parts and lubricants are extra. If additional work is required, you will be notified with a repair cost estimate. Repairs may be required in order to properly sharpen cutting units.

OVERHAUL RATES FOR THE 2010–2011 SEASON
