

# Reinders SUSSEX

CORPORATE HEADQUARTERS

Effective December 1, 2011, Reinders will be moving its' Corporate Headquarters, Service Repair, Parts and Elm Grove Warehouse 12 miles northwest to a 125,000 sf facility in Sussex, WI! We will be operating from our new facility beginning: Monday, December 5, 2011.

Our new accommodations will significantly enhance our ability to implement new improvements in our material handling, inventory, distribution and logistics capabilities. Just as importantly, it will enable us to enhance our customer service, training, quality control expertise, and expand our service and repair center for equipment and irrigation.

**Since 1866, Reinders is continuing to invest in our future capacity to service you even better; thank you for being a partner in our past and future growth!**
