

Morton Ice Melting Solutions

Morton® Eco-Safe™ Ice Melter Surface Care Formula

- ▶ Safer melting for sidewalks, concrete, and plants than plain salt.
- ▶ Reduces corrosion by up to 14% compared to plain salt.
- ▶ Utilizes HEC, a sealing agent, to help minimize concrete damage.

Morton® Safe-T-Salt® America's #1 selling brand of Rock Salt

- ▶ 100% Rock Salt
- ▶ Great for controlling ice and providing traction.
- ▶ Provides an economical melting option.

Morton® Professional Grade Melting for Sub-Zero temperatures

- ▶ High performance blend of calcium chloride and rock salt.
- ▶ Generates heat on contact to start melting faster.
- ▶ Also available: 50lb. blue colored ice melt crystals for application visibility.
