

MORTON® ICE MELTER®

Fast Acting Ice Melter, Quick to Melt in Freezing Temperatures

General Description

MORTON® ICE MELTER is a premium blend of calcium chloride and rock salt designed for the professional. Available in a convenient 50# pail or 50# poly bag.

MELTS TO -15°F.

Applications

MORTON® ICE MELTER blend generates heat upon contact with ice and snow accelerating the melting process and making ice and snow removal easier.
