

Swing Joints

Swing joints make sprinkler height adjustment easy while absorbing the weight of turf equipment and other traffic, without damaging the head or the lateral line.

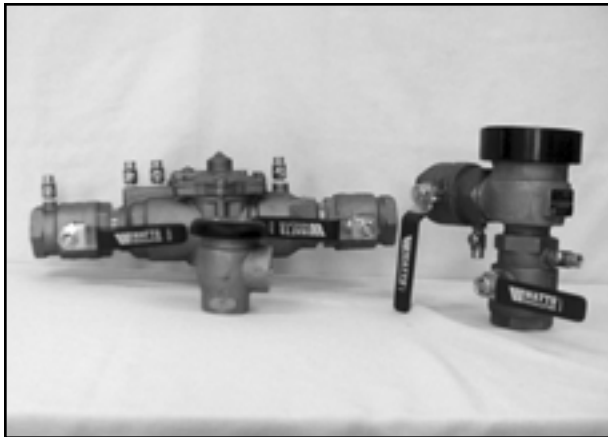

Product #	Description
5807-01010	1" x 10" Spears Swing Joint
5807-01510	1 1/2" x 10" Spears Swing Joint
G132-212	1" x 10" Lasco Swing Joint
