

Hedge Clippers

Echo

For professionals who demand performance, Echo hedge clippers deliver. They're tough, reliable and loaded with intelligent features like: a throttle lock-out to help prevent accidental blade engagement, a commercial grade gear case and cutters for the heaviest applications, and vibration-reducing engine mounts and handles for operator comfort.

Model #	Description
HC-150	Hedge Clipper, 20" 2-sided, 21.2cc
HC-165	Hedge Clipper, 24" 2-sided, 21.2cc

Power Pruners

Echo

Power Pruners provide fast, easy and safe pruning, even for the toughest jobs. The automatic oiler delivers the ideal flow for superior performance, and the 7.6 oz. tank reduces refills for more productivity. Intenz™ guide bars allow side access chain tensioning for improved cutting and longer chain life. The lightweight design and vibration controls ensure comfort, while the telescoping and extended shafts keep operators away from falling branches.

Model #	Description
PPF-225	Power Pruner, Fixed, 21.2 cc
PPT265S	Power Pruner, Telescoping, 25.4 cc

Chain Saws

Echo

You may never need all the power of a heavy-duty Echo chain saw, but you'll be glad it's built to tackle your toughest logging, felling and limbing jobs. Superior performance begins with the exclusive Pro-Fire Electronic Ignition and all-position diaphragm carburetor that allow the reliable Echo two-stroke engine to start up fast and run smoothly. Well balanced, with vibration reduction systems, Echo chain saws are also easy and comfortable to handle.

Model #	Description
CS-310-14	Chain Saw, 14" Bar, 30.5 cc
CS-370-16	Chain Saw, 16" Bar, 36.3 cc
CS-680-20	Chain Saw, 20" Bar, 66.7cc
