

## Company Profile

Reinders, Inc. is a family owned distribution company established in 1866 in Elm Grove, WI. We have six locations across Wisconsin in Milwaukee (Elm Grove), Waukesha, Kenosha (Bristol), Madison, Appleton (Little Chute) and Stevens Point (Plover); three in Illinois in Rockford, Vernon Hills, and Chicago (Franklin Park); two in Minnesota in Minneapolis (Plymouth) and Rochester and one in Olathe, Kansas. We work with a wide variety of customers including golf courses, landscape companies, contractors, municipalities, schools, parks, athletic facilities, cemeteries, and architects.

As one of the Midwest's largest full service distributors of products to the commercial green industry, you can turn to us as your one stop source for all your product requirements. We carry quality product lines including turf equipment, irrigation products, fertilizers, grass seed, chemicals, power equipment, hand tools, landscape lighting, fountains, water gardening supplies, ice control salt and much more. Our philosophy is ensuring your success determines our success.

## Services

An array of services is available through Reinders to help you and your organization achieve your goals. These services include:

### DELIVERY

Our modern fleet of tractors, trailers and straight trucks deliver products or equipment when you want it, where you want it.

### CAD DESIGN

We can help you design and install your next commercial, residential or golf course irrigation system.

### PARTS & SERVICE

After you've purchased your turf or irrigation equipment, we stand ready to assist you in any way we can with a complete inventory of parts, repair service and warranty maintenance. Our Milwaukee (Elm Grove), Madison, Appleton and Franklin Park locations have complete equipment service departments staffed with certified, factory trained technicians. The irrigation service departments, located in Elm Grove and Franklin Park are equipped for expert in-house repairs and also provide field service.

### EDUCATION

Every other year since 1973 we have sponsored one of the largest independent turf and irrigation conferences in the United States. Established to meet your needs you will find the latest research, equipment and products all in one place. Today, more than 2,000 industry professionals attend the show that has grown to include over 40 educational seminars and 85 exhibitors. We organize a turf and irrigation equipment service school during the alternate years when our conference isn't held. Things constantly change and improve so we also offer regional seminars and athletic field days to keep you up to date on the latest products and trends.

### TURF ANALYSIS

If you have a challenging turf situation, call us and one of our trained specialists will schedule an appointment to review your requirements and provide recommendations for your specific needs.

### LANDSCAPE LIGHTING & WATER FEATURE DESIGN

Design and installation of water features from small pond aerators to large scale commercial fountains is available from Reinders. We can also assist you with your landscape lighting projects.

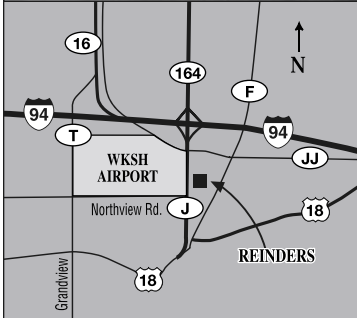

### SPORTS FIELD AUDITS

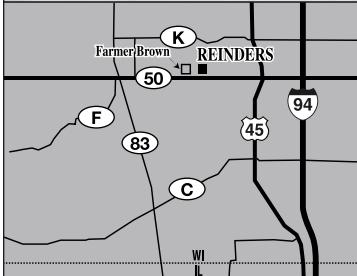

Contact us to arrange an in-depth analysis and soil testing of your sports field to tailor a maintenance program for your budget and requirements.
