

Water Softener Salt / Wild Bird Food

Reinders

MORTON SYSTEM SAVER® PELLETS

A very high purity salt with virtually no insoluble particles that have been produced with the patented System Saver® formula. This formula improves the regeneration efficiency of your softener resin and prevents the build-up of hardness minerals in the valves and screens of your softener.

Product #	Description
21-060X	50 lb. Bag
22-060X	40 lb. Bag
24-060X	25 lb. Bag

MORTON® RUST REMOVER SUPER PELLENS

Morton® Rust Remover Super Pellens® are formulated for use when noticeable amounts of iron are present in your water to reduce rust and eliminate rust stains on laundry, porcelain and dishes. 40-lb. Morton® Rust Remover Super Pellens® come in a convenient, easy-open bag.

Product #	Description
27-060X	40 lb. Bag

MORTON SYSTEM SAVER® BLOCKS

Morton® System Saver® Brine Block is made from a high purity salt that has been combined with the patented System Saver® formula. The 25-lb block is lightweight and very easy to carry. This formula is intended for convenient, dust-free addition to brine tanks and it helps flush out dirt and various iron from the complete softener system.

Product #	Description
23-060X	25 lb. Block

MORTON® WHITE CRYSTAL® SOLAR SALT

Morton® White Crystal® Solar Salt is 99.5% pure salt crystallized by the sun and wind from natural salt brine held in open ponds. This salt contains small amounts of insoluble particles from the environment that may need to be periodically removed from the brine tank.

Product #	Description
66-060X	50 lb. Bag
29-060X	40 lb. Bag
