

## Marking Flags

Marking flags are available in three colors, red, white and blue for marking irrigation heads, valve boxes or virtually anything.

## KRYLON

## Marking Paints

One-coat coverage and our Spray-Thru™ cap allow for inverted painting ease. Use on concrete, pavement, gravel, grass, brick, asphalt, athletic fields, utility, excavation, ground, surveying and construction marking.

(12 x 20 oz cans per case)

## Intelli-Sense™ ET Controller

Saves Water And Time—That Will Make You Look Good.

### The New Toro Intelli-Sense Uses Weather Data And Site Information To Water Only When Needed

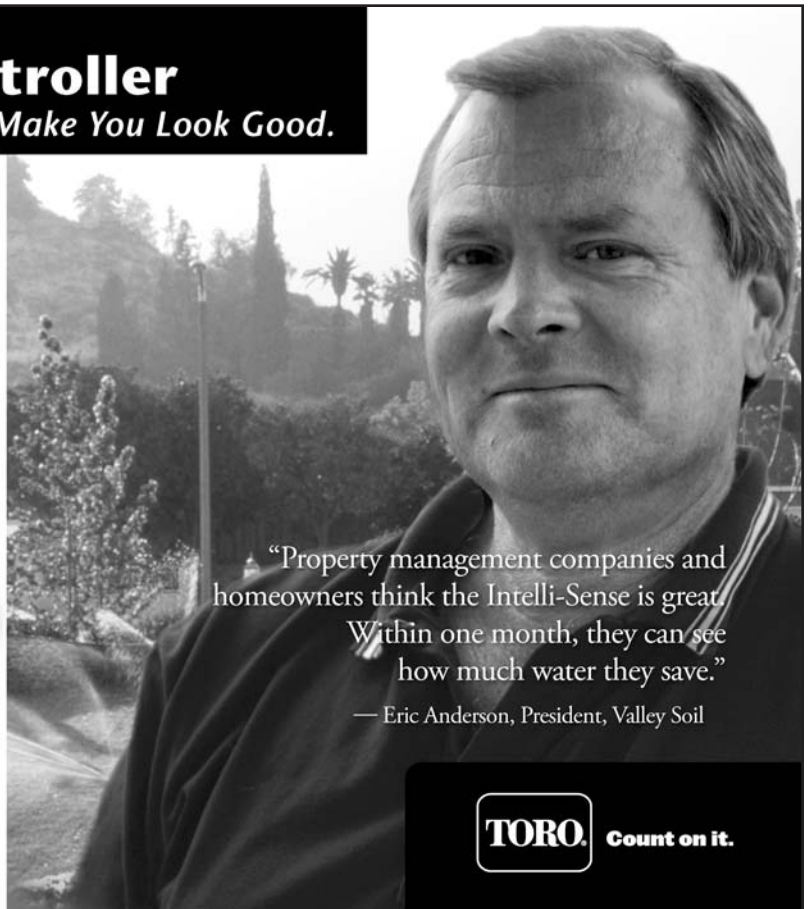

Eric Anderson, president of California-based Valley Soil understands that water resources are limited. That's why he's installed more than 300 Toro Intelli-Sense controllers in the past year for his residential and commercial customers.

SB-800 Compliant    UL-Listed    CIT-Certified

Toro's WeatherTRAK®-enabled Intelli-Sense controller will make landscapes look lush and beautiful, while saving water and money at the same time. Contact Adam Bower at 262-786-3300 for special purchasing programs.

© 2009 The Toro Company

“Property management companies and homeowners think the Intelli-Sense is great. Within one month, they can see how much water they save.”

— Eric Anderson, President, Valley Soil
