

CORE BUSTER

Our innovative Core Buster Drag Mat breaks up cores easier, faster, better. Made of durable polyethylene, it's safer on your turf than steel mats. The interlocking 20 in. x 20 in. x 2 in. (51 cm x 51 cm x 5 cm) grid panels let you create a variety of sizes, so you can add or subtract to fit your fairways, tees and greens. Plus, the Core Buster is durable and rust-free, and the panels are stackable or can be hung for easy storage. Also works great for breaking up grass clippings, dragging in topdressing on greens, and working in seed when overseeding. Easily handled by one person. Watch video on ParAide.com and see how.
