

## SEED TECHNOLOGY

### DESCRIPTION

Reinders MOKAN 90/10 Tall Fescue + Blue Mix is a mixture of 90% of three varieties of turf type tall fescue and 10% of Kentucky bluegrass. This mix provides an improved turf with low maintenance characteristics, disease resistance, and drought tolerance. The bluegrass is a perfect companion for the elite varieties of turf type tall fescue and is similar in texture and color. The MOKAN Tall Fescue 90/10 Tall Fescue + Blue Mix is designed for golf, sports, and lawn turf applications and has elite cultivars that excel in the challenging southern transition zone.

### FORMULA

30% Regenerate Turf Type Tall Fescue
