

Par Aide Turf Marking Paint (bottom) is brighter, more visible than competitor's (top).

## MARKING PAINT

The key to marking paint lies in the right nozzle design, which controls the density, brightness and length. Ours provides the perfect combination of distance and visibility. To go one step further than our competitors, we're offering a safer formulation. Our water-based marking paint is less harmful to all types of turf grass due to reduced VOCs (Volatile Organic Compounds). We ask that you try it out and see the difference for yourself.

### Marking Paint\*

Bolder lines, better for turf. Sold in cases of 12 cans.

**12410** White Marking Paint (18 oz. (510 g)/can)

**12411** Red Marking Paint (17 oz. (482 g)/can)

**12412** Yellow Marking Paint (17 oz. (482 g)/can)

**12413** Blue Marking Paint (17 oz. (482 g)/can)

**12414** Cover-Up Green (17 oz. (482 g)/can)

**12415** Fluorescent Orange (17 oz. (482 g)/can)

### Paint Applicator

Apply paint to your turf surfaces easily and generously! The Paint Applicator is appropriate for longer, even, more continuous marking. Lightweight and easy to maneuver. Approximately 35 in. (89 cm) long.

**12401**

### Double Barrel Paint Gun

Paint bolder, more noticeable lines around your hazards and out of bounds. The Double Barrel Paint Gun angles the paint cans slightly to focus the spray for highly visible lines. A great tool when preparing for tournaments.

**12403**
