

Aluminum Landscape Bed Edging Turf Application - 3000 Series

Technical Notes:

1. (5) 12" (30.5cm) stakes included with every 16' (4.9m) section.
2. (3) 12" (30.5cm) stakes included with every 8' (2.44m) section.
3. Compact soils on either side of installed edging to prevent edging from rising.
4. Top of edging to be installed no higher than 3/4" above compacted finish grade.
5. Stakes need to be hammered completely into the provided pockets and should be at least 1/2" below the top of the edging.
6. Sliding telescoping connection needs only 2" of overlap to connect one section into the next.
7. Prefabricated corners are available in every size and finish.
8. Protected by U.S. and foreign patents & trademarks both issued and pending U.S. 5020272, 5941018, CA 2032646
9. Contractor's Note: For product and purchasing information call 800-366-2878.
