

DESCRIPTION:

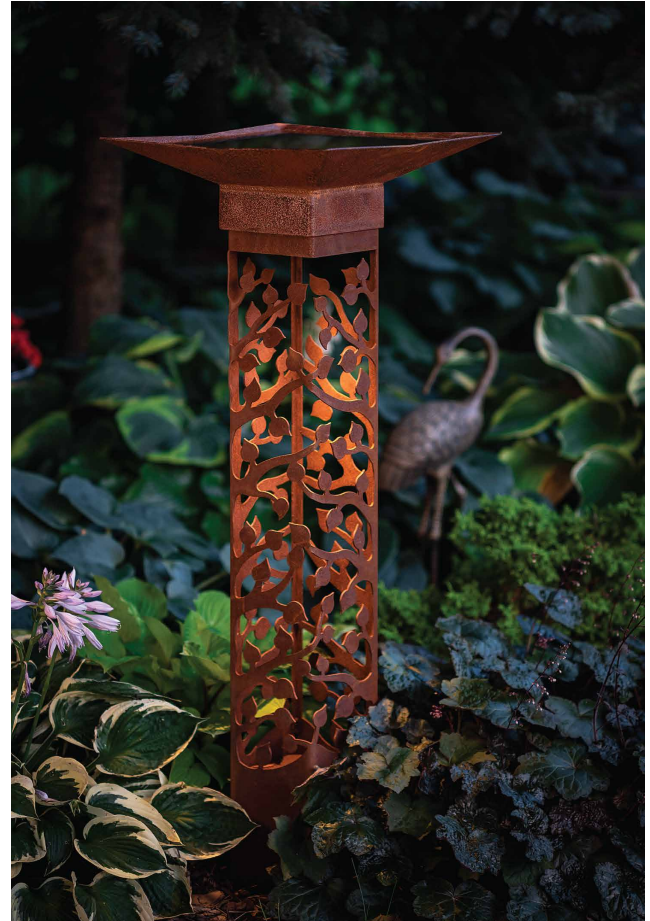

The Nightscaping® Bird Bath bollard topper, was inspired by nature and bird lovers from all over the world who love the hobby of backyard bird watching. The Nightscaping Bird Bath topper is a relatively shallow dish with a generous amount of perch space for our feathered friends to splash, drink and warm themselves in the sun after a quick dip. The Bird Bath topper was designed to be an elegant and attractive back yard addition, when nestled into any garden or planting space and paired with any of Nightscaping's medium height bollards for a truly artistic look by day and a stunning source of illumination by night.

Features:
