

## SEED TECHNOLOGY

### DESCRIPTION

Reinders 50/50 Blue /Rye Seed Mix has all elite varieties of Kentucky bluegrass and perennial ryegrass that are ideal for golf courses, sports fields, parks, commercial and home sites.

Mercury Kentucky bluegrass is a medium dark green color and performs well in shade or sun conditions. It has excellent disease resistance and good heat, drought, and wear tolerance.

Replicator is a turf tetraploid perennial ryegrass with superb stress tolerance and heat and disease resistance. It has a medium green color and stays healthy during dry conditions because of a very deep root system.
