

## ESTATE SERIES WRIGHT GEO BOLLARD: 342-1525-X-YY

### About Nightscaping®

Since 1959, Nightscaping® has built its reputation on designing original and handcrafted outdoor lighting fixtures. As an American design and manufacturing company, we pride ourselves on delivering works of art that transcend generations. A lifetime structural warranty backs all our Made In USA fixtures. Customers who choose Nightscaping® consider their landscape lighting fixtures to be so much more than just another purchase. They consider it an investment that will last them a lifetime.

### Body

Nightscaping® bollards are constructed from 11 gauge, US grade, solid Cor-Ten steel. The top is easily removable with two Alan-head screws. This creates easy access to the luminares internal components. The socket holder can also be raised or lowered to eliminate light glare from the luminares light source.

### Available Finish - X

The Estate Series Bollards are available in four different finish options - Weathered Rust (R) - in stock, Bronze (Z) - in stock, Custom Powder Coat (C), or Custom Plating (P). All metal is zinc coated prior to powder coating for added protection and longevity of finish. (please see website for details).

### Available Heights - YY

The Estate Series Bollards are offered in five different heights - 13", 21", 32", 42" and 80".

### Optimal Voltage

Recommended voltage range for 12V Nightscaping® LEDs is 11V - 15V.

### Recommended Lamp

For use with Nightscaping's® G4 LED bi-pin or single diode MR16 LED.

### Lamp Connection

GU5.3 Base. Spring loaded, pre-greased beryllium copper socket with stainless steel lamp holder. UL approved, watertight connectors are also included with each luminaire.

### Mounting Options

The Estate Series Nightscaping® Bollards can be mounted with Nightscaping's® Universal Surface Mount. The Universal Mounting Plate can either be mounted in the landscape (using PVC provided) or onto a solid surface. (please see Installation Instructions for details).

### Wiring

25ft 18AWG, UL Listed, copper wire that is protected by Polyvinyl Chloride (PVC).

### Warranty

Nightscaping's® Structural Lifetime Warranty (please see warranty for more details).
