

PATH AND AREA LED LANDSCAPE LIGHTING

Aquascape Path and Area 3-Watt LED Landscape Lights make it easy to illuminate any landscape or outdoor area. These energy-efficient LED lights provide beauty, safety, charm, and visibility in any residential or commercial space, enhancing driveways, garden paths, plant beds, and areas surrounding waterfalls, ponds, and fountains. The included 3-Watt LED bulb provides a warm 2700K output and a 25,000 hour bulb life span. Each fixture features durable brass construction, a 3-Watt LED bulb, and a 3' lead wire with quick-connect fitting, providing a long-lasting, energy-efficient, easy-to-install, professional-quality light that can be enjoyed year after year.

- Durable brass construction
- Extremely energy efficient
