## Convenience of Cordless... the Power of ECHO!

The DSRM-200 Grass Trimmer has all the conveniences of a cordless unit, but built with the power of ECHO know-how. With gas-like performance, the DSRM-200 will make quick (and environmentally-clean) work of any trimming job and has all the power needed to cut through thick grass and weeds.

### DSRM-200

#### 36V grass trimmer.

- 36V DC motor provides more cutting power than lower voltage alternatives
- 94 watt hour Lithium Ion battery provides extended run time
- Hi-low speed switch provides optimized cutting time
- Dual .080" diameter line with 12" cutting swath provides greater cutting efficiency
- Speed-Feed® 400 cutting head provides easy line reloading without disassembly, tap to advance line feeding, and holds up to 20' of trimmer line
- Narrow debris shield for increased visibility while cutting
- Foam cushioned front handle and rubber grip throttle handle for more comfort and control
