Woodace for Landscape Ornamentals

Item #	Bag Size	Pallet Qty	Item Description and Use
Shrub Bed Weed Control			
2456320	20 lb.	30	Preen® Plus Woodace Preen® Plus will prevent over 150 weeds from invading shrub beds and other landscape areas for up to six months.
Soluble and Granular Fertilizers			
2256323	50 lb.	45	12 3 6 A.C.R.E. IBDU Micros Woodace A.C.R.E.12-3-6 is specially formulated for Azaleas, Conifers, Rhododendrons, and Evergreens that thrive in acidic soil. Woodace A.C.R.E. is also ideal for fertilizing plants where micronutrient availability is limited by high soil pH.
2156324	40 lb.	60	14 14 14 Flowering Woodace Flowering 14-14-14 is a premium homogeneous fertilizer for maintaining ornamental landscape plants such as foundation plantings, shrubs, ground covers, trees, and flowers. Woodace Flowering 14-14-14 features a 1:1:1 nutrient ratio, ideal for establishment, flowering, and vegetative growth. It contains the secondary nutrients Magnesium and Sulfur, as well as the micronutrients Iron and Manganese, for increased vigor and exceptional foliage.
2256351	50 lb.	45	18 5 10 with Meth-Ex 40 and Expo® Woodace 18-5-10, now contains both Meth-Ex 40 slow release methylene urea nitrogen and Expo controlled release potassium, preferred by professional growers for their long-lasting feeding properties. This slow release product is an ideal labor-saving, single application top-dressing for feeding trees, shrubs, groundcovers and other landscape ornamentals.
2256313	22.5 lb.	20	14 4 6 Tablet 17 gram IBDU Micros Woodace tablets fertilize new plantings for up to eighteen months. Formulated with slow release nitrogen each tablet provides essential nitrogen without burning delicate root hairs.
2156325	20 lb.	20	20 20 20 Spray Grow Soluble Woodace 20-20-20 Soluble is a versatile, easy to use, water-soluble fertilizer with micronutrients. The soluble formula can be used on most landscape plants including flowers, trees, shrubs, ground covers and lawns. Woodace 20-20-20 Soluble readily dissolves in water and comes conveniently packaged in a reclosable bucket.
