

# NatureShield®

## All-Natural Pest Repellant

**Creates a natural pest barrier safely.**

Repel unwanted pests with NatureShield® — its all-natural, proprietary blend of essential oils is naturally formulated to control mosquitoes, ants, ticks, fleas, carpet beetles, centipedes and other crawling and flying insects. It can be used as a stand-alone solution or it can be combined with Rid O' Rust and GrassSoGreen. Unlike chemical pesticides that can be harmful to pets and children, the essential oils in NatureShield come from natural sources that include garlic, cinnamon, castor and cedar oils. NatureShield provides a safe, effective pest barrier and is designed with nature in mind.
