# PB-755S POWER BLOWER

The PB-755S, in a bold new color and either hip- or tube-mount throttle control, features powerful performance with 620 cfm at the pipe, an accordion-style tube that stays flexible in cold weather, the Posi-Loc™ system to secure the pipe connection at all times, and weighs in at less than 25 lbs.

5 year consumer, 2 year commercial and 90 day rental warranty.

The short, hip-mount throttle (PB-755SH) is designed for ease of use and simple maintenance.

The straight back frame makes it more convenient to transport and easier to hang.

The tube rotates fully for increased operator mobility.
