Here's why ProTurf Green® is the best choice for underground sprinkler systems:

- Only the highest quality virgin resins are used to give ProTurf Green superior strength, flexibility, and durability.
- ProTurf Green is consistently sized to assure properly fitted installations without fear of future leaks.
- The distinctive solid green exterior and solid black interior are co-extruded and make ProTurf Green very easy to identify.
- ProTurf Green has a gun barrel smooth interior which results in minimal friction loss.
- ProTurf Green is subjected to rigorous freeze/thaw tests that simulate 50 years of harsh weather extremes. (Tests show ProTurf Green® will expand 14% and return to its original size [water expands 6%]. This expansion takes the pressure off fittings and heads.)
- ProTurf Green is backed with a Buyer's Lifetime Warranty which guarantees it to last as long as you own your property. (Please see warranty section of this brochure for details.)

ProTurf Green® Buyers Lifetime Warranty

We warranty your ProTurf Green Pipe for as long as you own your property.

Warranty Period

Your ProTurf Green Turf and Irrigation pipe is warranted by Centennial Plastics, LLC to you, the original purchaser, for as long as you own the property in which the ProTurf Green Turf and Irrigation pipe has been installed.

What is Covered

If your ProTurf Green Turf and Irrigation pipe fails due to defects in material or workmanship, Centennial Plastics, LLC will install new, warranted pipe in your property. You will not be charged for the pipe, the freight, or the labor required to install it.

This Lifetime Warranty is not applicable in the event the installation and/or use of the pipe is not in accordance with specifications, and is not applicable with respect to any failure in performance of the pipe which is due, in whole or in part, to any reason other than a defect in the materials or workmanship of the pipe.

How to Get Service

If your ProTurf Green Turf and Irrigation pipe requires service under the terms of this warranty, notify the turf contractor from whom you purchased your ProTurf Green Turf and Irrigation pipe immediately.
