

## FEEDS ALL SEASON LONG

- *Blended with four enhanced efficiency fertilizers to release nitrogen consistently for up to 6 months*

## EPEC™ Results

- *Eliminates growth surge*
- *Protects against nitrogen loss through leaching or volatilization*

## DIRECTIONS FOR USE

Apply this product to dry turf at the recommended rate using a calibrated spreader to ensure the correct rate of fertilizer nutrients. Overlap passes according to your spreader manufacturer's recommendations.

Use in accordance with recommendations of a qualified individual or institution, such as, but not limited to, a certified crop advisor, agronomist, university crop extension publication, or apply according to recommendations in your approved nutrient management plan.

Observe any State or Local fertilizer regulations pertaining to fertilizer content, application rates, or timing of application specific to your locale.

Lbs. N/ 1,000 sq. ft.	Lbs. Product/ 1,000 sq. ft.	Lbs. Product/ Acre	
2.0	5.8	253	Low
2.4	6.9	301	Recommended
3.0	8.6	375	High

## USE PRECAUTIONS:

- Do not apply to frozen ground.
- Do not apply near water, storm drains, or drainage ditches. Do not apply if heavy rains are expected. Apply this product only to your lawn and sweep any product that lands on the driveway, sidewalk, or street back onto your lawn.
- Avoid applying when air temperatures exceed 85 degrees.
- Avoid applying when weather conditions favor drift from target areas.

Net Wt. 50 lbs. (22.7 kg)
