

SONANCE

ROCK SPEAKERS

Built to hide in plain sight, Sonance Rock speaker and woofer models will deliver music in landscapes or hardscapes to maximize music enjoyment outside without visible technology.

TECHNOLOGY

PROTECTED WIRING

ROCK SPEAKERS

- A single pair can cover up to 500 sq ft
- Durable, corrosion-free, all-weather design can withstand exposure to UV, high heat, wind, rain, and snow
- IPX4 rating defends against water splashing from any direction
