

SRM-280 SERIES TRIMMERS

A New Class of Performance

5 year consumer, 1 year commercial and 90 day rental warranty.

TRIMMERS

- 28.1cc Power Boost Vortex™ Engine Combines Power with Light Weight
- Ergonomically Comfortable for Extended Use
- Rubber Handles for a Comfortable Grip
- Commercial-grade Felt Air Filtration for Improved Air Quality and Increased Engine Performance
- Blade-Use Convertible with Optional Kit
- Available in a Variety of Configurations

SRM-280 Model Shown

SRM-280 SERIES TRIMMERS

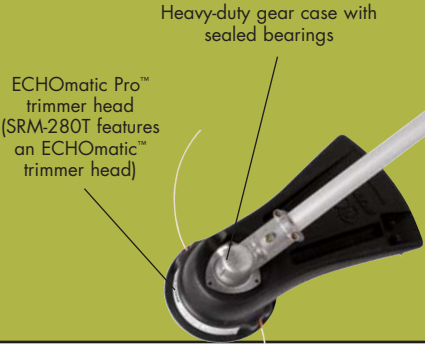

The SRM-280 Series of Trimmers, all in a bold new color, represents an entire new class of performance for ECHO Trimmers. ECHO's new 28.1cc engine class delivers increased power combined with light weight. And that means better performance. The units are available in standard (SRM-280), steel shaft (SRM-280S), high torque (SRM-280T), or "U"-handle (SRM-280U) configurations. Common features to all include: a powerful 28.1cc Power Boost Vortex™ engine for plenty of performance, rubber left and right handle grips for comfortable all day operation, and commercial-grade felt air filtration for improved air quality and increased engine durability.

5 year consumer,
1 year commercial, and
90 day rental warranty

59" straight shaft with flex cable drive
(SRM-280S features a steel shaft)

A powerful, smooth-running 28.1cc Power Boost Vortex™ engine delivers performance.

A rubber throttle handle provides comfortable all day operation. The left hand grip is also rubber-coated.

An ECHOmatic Pro™ trimmer head equipped with .095" diameter Cross-Fire® line makes quick work of any trimming job.
