INTENSIFY Soil Microbial BioCatalyst
Probiotics for the soil - beneficial bacteria & fungi for increased nutrient efficiency

Products available in 50 lb. & 2,000 lb. bulk bags

STANDARD GRADE PRODUCTS (SGN 210)

Solu-Cal PLUS

HIGH CALCIUM LIME
4x the Power of Lime

36% ultra-fine calcitic lime complexed with INTENSIFY Soil Microbial BioCatalyst to enhance the uptake of applied and stored nutrients for soil pH adjustment & fertilizer efficiency.

- University proven to work 4x faster than traditional pelletized limestone, adjusting pH in 6 - 8 weeks
- Delivers soluble Calcium & beneficial microbes to the soil
- Dust-free formula

Humic+PLUS

WITH SOLU-CAL

The Power of Humic Fulvic Acid teamed with Solu-Cal Soluble Calcium in a low dust pellet

- Phosphorus-free Starter
- 30% Solu-Cal Soluble Calcium
- Provides essential carbon to stimulate soil microbes
- Enhances soil CEC & soil moisture retention
- Maximizes use of stored & applied nutrients
- Supplies 12 lbs. Activated Humic Acid/acre

SOLU-CAL S

ENHANCED GYPSUM

More Powerful than Traditional Gypsum

- Increases aeration of soil to create pore space
- Displaces sodium from the soil from effluent irrigation water, deicing agents, and dog urine
- Saves time, labor and space; 75% fewer bags to handle and spread
- Excellent source of Calcium without affecting soil pH

MICRO GREENS GRADE PRODUCTS (SGN 95)

SOLU-CAL PLUS MICRO

ENHANCED HIGH CALCIUM LIME

K-CAL 0-0-22

WITH SOLU-CAL ENHANCED HIGH CALCIUM LIME

SOLU-CAL S MICRO

ENHANCED DIHYDRITE GYPSUM

K-CAL Plus 0-0-24

WITH SOLU-CAL ENHANCED GYPSUM

Change the way you think about fertilizer with one pass = two billable application solutions

6-12-6 + SOLU-CAL **STARTER FERTILIZER**

12-0-4 + SOLU-CAL **WITH 30% SLOW RELEASE**

18-0-5 + SOLU-CAL **COVERS UP TO 12,300SQFT**

Fertilizers with Solu-Cal Enhanced Calcitic Lime to ensure seedling development and increase turf vigor.

Fortified with INTENSIFY Microbial BioCatalyst to improve nutrient efficiency.

- Loaded with 20 - 23% Calcium plus a full application of fertilizer
- Delivers two billable applications in one bag
