VB-7RND	7" Round – Black Body with Green Lid
VB-7RND-P	7" Round – Black Body with Purple Lid
VB-7RND-BK	7" Round – Black Body with Black Lid
VB-6RND	6" Round – Green Body with Green Lid

LOCKING BOLTS FOR VALVE BOXES	
MODEL	DESCRIPTION
VB-LOCK-H	Locking – Hex Bolt, Washer and Clip
VB-LOCK-P	Locking – Penta Bolt, Washer and Clip

Designed For the Irrigation Professional

Rain Bird has built a better valve box.

Strength and Stability

- Multiple sizes and shapes are designed with corrugated sides and wide flange bases for maximum durability, compression strength and stability.

Smart Lid Design

- Designed with no holes to keep out pests, beveled edges to minimize damage potential from turf equipment, and for easy hand and shovel access.

Flexible Installations

- Interlocking stacking capabilities, extension models and pipe hole knockouts support deeper and flexible installations.

Environmentally Friendly

- Earth-friendly, LEED-compliant material made of 100% recycled materials (black boxes and black lids only).

MULTIPLE SIZES AND SHAPES
make it easy to choose the right boxes for the job.

SHOVEL ACCESS SLOT
for easy removal of lid.

BOLT HOLE KNOCK-OUT
keeps critters out when bolt is not used.

PATENTED INTERLOCK
locks two boxes together w
bottom-to-bottom for deep
