DESCRIPTION

WAC Lighting Step and Wall Lights are designed to seamlessly blend into any architecture featuring a sleek interchangeable magnetic faceplate with no visible hardware. These luminaires offer enhanced energy-efficient functionality and optimized light output to adequately illuminate stairs, walls and walkways with little or no glare. Light engine is IP66 sealed for both indoor and outdoor applications.

FEATURES

- Louvered design offers shielded illumination
- Magnetized design for easy installation and maintenance
- Low profile, flush to wall aesthetics with no visible hardware
- 5 year warranty
